

Premier Wall

Premier Wall is best suited where dimensional flexibility is required. Great in marquee's as well as shopping malls, exhibition halls and stadiums. The image cartridge can be interchanged easily without having to buy extra support poles and bases. The adjustable post makes converting the stand from a wall to a crowd barrier or a sponsor's hoarding simple.

- ✓ Single-sided or double-sided
- ✓ Economical choice
- ✓ PVC light-block waterproof media with highest quality print
- ✓ Comes with nylon carry bags
