

# Waveline Fabric Wall

Made from recycled aluminium and with no tools required for assembly, the Fabric Wall is an excellent choice for exhibitors looking for an innovative, strong, portable and affordable solution.

In seconds the frame is together, then the one-piece graphic simply stretches over the frame.

The graphic is produced by top quality dye sublimation printing onto a recyclable virtually 'wrinkle-free' stretch fabric.

- ✓ Single-sided or double-sided
- ✓ Economical choice
- ✓ Dye-sublimation stretch fabric media with highest quality print
- ✓ Comes with nylon carry bag
- ✓ Lightweight and strong

Assembly is quick and easy.
